MI5 Persecution Update: Friday 13 November, 1998

If You Intend To Reply, Please Read This

If you have any questions or observations you would like to share with me, then you are very welcome to reply to my fax number 0171-681-1190. But please.... keep your response to one page if you can! I have had several people faxing my article back to me, including one MP faxing back twenty pages. I do not know if he had anything intelligent to say in his 20-page fax because I applied judicious use of the "Delete" key on my computer. Faxes over a page or two will be deleted without being read.

MI5 Resume Hostilities in Response to these Faxes

When I wrote last weeks "MI5 Persecution Update" I remarked how quiet my life had become. No longer! MI5 have restarted hostilities with a vengeance the past week, in response I believe to the faxes I have been sending to members of the House of Commons.

On Saturday 7 November I went to Clapham Picture House cinema to see the film "Antz" (a very enjoyable film). At the cinema, I was verbally assaulted by a group of teenagers with the words "still crazy", repeated about ten times. There was a film with that name showing at the cinema, but it was clear their abuse was directed at me. I do not look ill, so why would they pick on me? answer, the incident was set-up by the persecutors. One of the teenagers also said to another, "I don't know what we're laughing at".

The following day, Sunday 8/11/98, I was on my way to play squash when I was verbally assaulted by a youth who said "it was so funny", without the slightest trace of humour. What he meant by this phrase was that was funny, and they were trying to humiliate me. I have heard this phrase "it was so funny" used at me before many, many times over the last eight and half years.

Please Encourage Keith Hill MP to Help Me

I live in a bugged house, bugged both for audio and video. My movements are monitored by MI5. The Security Service have followed me to Canada, to Poland and the Continent, to the States. I cannot work anywhere, not in England, not in Canada, because MI5 will destroy whatever employment I am able to obtain. I have asked Keith Hill MP to help me, and he has refused.

The situation is intolerable. It is Mr Hills job to help me out of this mess. So, please, as I said in the last fax a week ago: Do not waste your

time returning multiple copies of my faxes to my fax mailbox, as some of you have done. Instead;

Please encourage Keith Hill M.P. to help me.

I am sorry to be using this device to encourage Mr Hill to help, but I think eight and half years are quite enough and it is time something was done to bring this matter to a close.

MI5 Persecution : BBC Newscasters Spying on my Home

This week's topic is the quite extraordinary claim that BBC newscasters such as Martyn Lewis and Michael Buerk have spied on my living room while they read the news. I currently have an advert running for the next six months in Private Eye's "Eye Say" column (at a cost of over ₱200) which says,"MI5 Persecution - BBC Newscasters Spying on my Home"; the story of my campaign in the Eye is on my Website at; http://www.pair.com/spook/evidence/plaint/priveye.htm

BBCs staff magazine Ariel also ran my advert "BBC Newsreaders Spying on my home" for one issue in the Personal category on 8/July/1997 before it was spotted and axed by editor Robin Reynolds; please see webpage; http://www.pair.com/spook/evidence/plaint/ariel.htm

Beginnings

The very first incident in the "MI5/BBC Persecution" occurred in June of 1990, when a newsreader reacted to what she saw in my living room at home as she read the news. My mother had brought an apple for me into the room, whereupon the newsreader smirked and giggled, apparently finding this funny. I couldn't believe what I was seeing. I carried on watching news and other television programmes to see if presenters would show signs of "interactive watching"; to my surprise, this happened again and again. Unfortunately, I did not have my wits sufficiently about me to videotape these programmes, and it is now almost impossible to obtain recordings dating back to 1990.

Most of the "TV watching" has occurred on the news, and most of it in summer 1990, although some as late as autumn 1993. My website has a few extracts of what might be politicians "getting at" me, in particular John Major and interviewer Dimbleby sharing a joke about the "Knutsford Guardian" which is almost certainly about me.

I sold my portable TV in autumn 1990 and stopped watching television regularly. I realise now that this may have been a mistake. What I should have done was to watch TV and listen to the radio, but tape-record everything and make a note of what each excerpt meant to me. I would then be in a much stronger position as regards to evidence that I am now. That is what I am trying to do now, but unsurprisingly the TV/radio presenters have stopped getting at me, now they know they are being recorded.

Examples of Media Harassment

Here are a few examples which I can still remember of media harassment;

In early 1992 I was watching the BBC news with Martyn Lewis on a small black-and-white portable television at my then home in Oxford. I threw a term of abuse at Lewis; he flinched, then gave a grin and made a comment from which I understood that he had been on my side, but might have changed his mind as a result of what Id just said to him.

Victor Lewis Smith in his TV (BBC2?) program at the end of 1993, had a taxi-driver saying, "theyre all out to get me", to which VLS replied, "but you're quite intelligent aren't you?" (what a nice chap VLS is, compliments no less!)

Paul Daniels the TV magician, sometime in 1990-92 (sorry I can't be more precise but it was so long ago), made a "crying face" and put his face in his hands, which was his way of expressing that I was frequently crying in 1990-92, and that he and other media people found my crying funny.

Kenny Everett (deceased) on some talk show, compared me to a "huge ape" who "scratches himself"; he made some other remarks about what the "ape" got up to which unfortunately I cant remember. (I remember that Everetts comments were quite sympathetic and human, but were obviously about me.)

Stephen Fry on another talkshow (Wogan I think) talking about "masturbatory fantasies", he then referred to me with the words "you prat"; I wonder if the studio audience knew what he was talking about and to whom his comments were directed?

Griff Rhys Jones on Clive James' TV show, made a "lunatic face" (wide fixed grin) to which I said to the TV that he had a "face like a horse's arse", to which Clive James said to GRJ "did you hear that?"

Crimestoppers summer 1990, remarks by a Midlands police officer on the programme, while Nick Ross was presenter (as far as I can remember). The officer talked about "in car entertainment". Nick Ross said to officer, "why don't you stop doing it?" to which he replied, "we can't while he's like this".

BBC2 Newsnight in autumn 1993 had a piece on football hooliganism. A black interviewee said apparently of the hooligans, but in fact of me; "they're just idiots, carry on with the surveillance".

There was an incident with Jonathan Ross which I remember clearly; he was on both BBC and ITV television at the same time, one (ITV I think) was recorded, the other channel was live. Ross has a speech impediment which causes him to pronounce his "r"s as "w". I sarcastically said something about "Mr Woss" to the recorded channel, then turned over to where he was live, and he repeated "Woss" with heavy emphasis and sarcasm.

On the radio, in spring 1994, Chris Tarrant made a sarcastic remark in his morning show, saying "he says were trying to kill him, we should be done for attempted manslaughter", to which another of the studio staff said, "oh no, dont say that". His comment was in reply to a comparison Id made the previous evening between my persecutors and the Polish secret police who murdered dissidents.

Martyn Lewis Denies & Lies, But Wont in Writing

In February 1997 I wrote to BBC Viewer & Listener Correspondence and asked them to investigate the claim that their newscasters had engaged in "interactive watching". They replied that they had asked Martyn Lewis and Michael Buerk whether they had engaged in such practices, and that they had both made verbal denials to VLC, but were refusing to put their denials in writing.

I can understand that they might think that if they were to make written denials to me, then many other people with my condition might write to them with similar questions. But Ive asked a couple of journalists if theyve been writing about me, theyve made written denials, Ive believed them, and I have not put their denials on my website because, since I believe their denials, it would not be relevant to publish them.

To me it looks as if Lewis and Buerk are happy to lie verbally but not in writing, because written falsehoods would place them unambiguously in the wrong, whereas they can try to talk their way out of verbal lies if they are ever caught, or perhaps even deny the verbal lies completely? If they lie without shame, then why would they have any shame about future lies about lying?

One of the strangest aspects of "TV watching" is that Buerk and Lewis have convinced themselves that their "interactive spying" is reasonable behaviour. Martyn Lewis thinks of himself as a "gentleman". He expressed in 1992 that he was "on my side". If this matter ever comes out into the open, I wonder what these newscasters will have to say for themselves, and what the British public will make of their behaviour?

Media Persecution Evidence on my Website

You may directly access the Evidence section on my website at URL;

The category currently contains four video segments, a number of audio files and three published articles. The first video of ITN's John Suchet is unfortunately a mistake - after looking at it again it is obviously not about me. The two Ken Clarke excerpts may or may not be about me; it is funny that he should keep on harping about "paranoia" and "madness", but I have given these ratings of only 30% certainty, as it is more likely that they are not about me in particular, and Clarke is simply displaying the normal prejudices against the mentally ill found in much of society.

The piece I find most interesting is the Dimbleby/John Major interview from April 1997. I have assigned this a 90% rating. Dimbleby starts by emphasising a report from the "Knutsford Guardian". Major recognizes what's going on and joins in with a falsely apologetic "heaven forfend". The emphasis is on the first syllable pronounced "nuts" in "Knutsford", which is repeated three times. Of course this is hardly anywhere near convincing evidence; the really clear items were all in 1990-92, and they are basically unobtainable now.

If you're reading the website, have a look at the two files from David Hepworth's programme on GLR radio. The first one from 21/Feb/1997 has him

talking about an "embarassment" of prizes and "absolute obscene", in reference I believe to the verbal sexual abuse that was being used against me at the time (and which unfortunately is still current). In the second file dated 9/May/1997 he again talks about "absolute embarrassment" of prizes, followed by laughter. To my mind he knows I am listening to his programme, and deliberately makes these remarks for my benefit, with very little attempt to disguise their purpose.

Bernard Levin - "Fanatic's Fare for the Common Man"

On 21 September 1991 this article by Bernard Levin appeared in The Times. It is reproduced in the Evidence section of the website, or may be accessed directly at URL;

To my mind, Levin's article described the situation at the time and in particular a recent meeting with a friend, during which I for the first time admitted to someone other than my GP that I had been subjected to a conspiracy of harassment over the previous year and a half.

Levin writes about a "madman running loose about London" who "bursts into tears, and swears it is all true. And it is." I am pleased to agree with his assertion that "it is all true" because the truth is what I presented to my friend in September 1991 and it is what is being presented to the readership of these articles now.

Conclusion

The harassment, in particular media persecution, was at its strongest in 1990-92. Today, I am recording everything I watch, read and listen, and the media have pretty much given up. It is now incidents "in public" which make up what there is of MI5s persecution. But much of the material from 1990-92 still exists in archives, although the organisations which have those archives generally wont make the material available to the public, for copyright and other reasons.

MI5 can no longer employ the media to persecute me, partly because journalists now know who is behind the persecution, and also because I would publish any instances. My mistake during 1990-92 was to not record instances as they happened; Ive learned from that mistake, and know better now.

46. ICE

We all carry our mobile phones with names & numbers stored in its memory but nobody, other than ourselves, knows which of these numbers belong to our closest family or friends.

If we were to be involved in an accident or were taken ill, the people attending us would have our mobile phone but wouldn't know who to call. Yes, there are hundreds of numbers stored but which one is the contact person in case of an emergency? Hence this "ICE" (In Case of Emergency) Campaign.

The concept of "ICE" is catching on quickly. It is a method of contact during emergency situations. As cell phones are carried by the majority of the population, all you need to do is store the number of a contact person or persons who should be contacted during emergency under the name "ICE" (In Case Of Emergency).

The idea was thought up by a paramedic who found that when he went to the scenes of accidents, there were always mobile phones with patients, but they didn't know which number to call. He therefore thought that it would be a good idea if there was a nationally recognized name for this purpose. In an emergency situation, Emergency Service personnel and hospital Staff would be able to quickly contact the right person by simply dialing the number you have stored as "ICE."

For more than one contact name simply enter ICE1, ICE2 and ICE3 etc. A great idea that will make a difference!

"If you are Not Crow and have never heard of him how can so say he has
no Grandkid?"

I never said whether "Crow" has a grandchild or not, who cares what
Mr. Crow has, except you. He is not here posting as far as I know, and
never has been. That is your own stupid assumption leading you down
the wrong road. I never said anyone had anything...I only posted
that A. "I had to explain to a 7 yo what a bisexual was". Based on
that post YOU assumed I meant a kid, I could have been talking about a
dog or a 7 yo bottle of scotch for all you know, and based on that,
you went on a tirade about how explaining bisexuality to a 7 yo child
is child abuse.

I then posted "Why does Mark think that a talk between a Grand Pa and
a Grandchild is child abuse, once again YOU took my post and
extrapolated it into I had a grandchild....based on your own
assumptions, you called CPS on Mr. Crow, although I repeatedly told
you I was not Mr. Crow, even before you called.

The twisted thing about your logic is you say you don't believe
anything I say if I tell you directly, but yet you can take something
from me out of context or unsaid, jump to a conclusion, add in your
own version of the truth, and then run with it calling LE and CPS,
about something that never happened to someone that does not exist.
But it does not matter, apparently, LE thinks you are someone who
cries wolf and will not entertain your stupid false claims.

I feel sorry for your wife to be so desperate that she settled on marrying a screwed up person such as yourself. I have no doubts that she could have done much better.

I am not spamming - I just posted some information to those who might want
to incorporate it into their cell phone!!!! My subject line may be off topic
to RAP, but it did not contain any of the constant CRAP that you continue to
push about someone called Dloyd and child abuse that most of the time you
xpost to at least 4 or 5 other NGs & I am not Dloyd..

I don't have any past action - I don't know who the Hell you are, I really
don't care who you are or claim to be - I am not a part of your constant
postings that are totally OT to this NG - I am not Dloyd nor know who he/she
is nor do I really care, I like a number of other folks that belong to this
group are sick and tired of your constant tirade of crap you all keep going
back and forth - why can't you all take the junk to the proper NG and got
off of this one.. A lot of folks went to the moderated NG just to get away
from this constant BS CRAP you all keep slinging at everybody...

I am not harassing you - You changed the subject line of my original post
with the one that you used for this post - I don't know who is forging whom
nor do I really care - all I am bitching about is that you changed the
fucking subject line to my original post with your inane subject line... I

your posts will be treated as I have treated the one you are bitching about

Thank H, for the useful advice...never thought of it, but seems to be
a good idea.

Mark, since when do I control what is the topic of choice on RRAP. You
better be glad I don't control RRAP, I would have locked it down
tighter than a frog's ass to keep you out. Mark, the post from John
Doe is more in line with the sprit of ham radio than anything that you
post with your retarded slanderous dribble of lies.

>no dolyd you did by offering your grandson for sex

Never happened Mark why keep repeating your lie, it won't come true.
Closer to the truth is you probably forged the sick emails to yourself
and then are now trying to claim I offered someone for sex in an
attempt to justify your slanderous false reports of child abuse to CPS
about Mr. Crow. Your problem is if LE gets involved they are going to

trace your forged emails right back to you. I hope they do and send you for a psychological exam with projective testing. You obviously have sick perversions about sex and children....get help sicko, turn yourself in for your false allegations and your obsessions.

Mark's problem? Well, one of them, anyway.
He either cannot or refuses to take responsibility for his actions.
It is easier for him to blame others.

John, you have stepped on the wrong side of Mark C. Morgan, KB9RQZ,
aka Usenet moron, and now you are forever doomed in the kooky twisted
logic of Mark's world. He is the hero of the stupid, he fights for the
right to post anything he wants, hi-jack threads at will, say anything
he wants, and run to law enforcement with fake reports when you
chastise his behavior, but you don't share that same right. Just by
merely responding to a post with a heading that Mark did not like
```

which he changed to his current flooding tirade, you inadvertently changed the heading back to the original title. Just by doing that simple innocent act, you are now responsible for anything and everything that has every happened to Mark C. Moragn during his entire life on usenet! You are now doomed like the rest of us when you use RRAP and are now subject to the kookery that Mark likes to spew. I noticed that you mentioned a 3 yo Grandchild....tread very cautiously here or Mark will report you to CPS and start calling you a child molester or some other bizarre crap that he invents in his twisted brain. Just the mention of the word "child" and it triggers his sexual arousal so high that it apparently sends him off into a frenzy. Welcome to the club...you are now in the fight of Mark C. Morgan vs. The Rest of the World, whether you want to be or not. Or you can change your nym...the good thing about Mark is he thinks he is brilliant with "three degrees", but in reality, he is not very bright at all, just by changing your nym Mark will think you are a different person. If I had to quantify his intellect, I would have to say BIF, borderline intellectual functioning. BTW just for fun, always change the heading back to the original...it drives the poor boy nuts. He also seems to have OCD about getting in the last word, and when he doesn't it really bugs him.

You are not a real ham, real hams know about things like grounding.
You are just a CB radio operator with a no code ham license so scared
to get on the air with your girly voice you let a computer do your
talking. Get a life...as a matter of fact get a
signal....bwahahahhaha!.

While you have your No Code license and continue to whine.
You are a shame to this hobby and have NO right to pass judgement on
anybody.
You, yourself, are an inferior being who suffers from self-delusions.

Cast not the first stone, Mark....

It is painfully obvious to the rest of us that you are a very, very troubled person, Mark.
You lie, you twist facts, you accept no responsibility for your immature acts, and yet you continue to, in your own sick world, present yourself as the "victum".
I have yet to meet anybody in this group who likes you. I doubt any such persons exist.

Yet you prattle on, seemingly undaunted. You flood this group hundreds of times a day with nonsensical posts, piss poor spelling, pointless comments, and while hijacking threads you have the mindless gall to whine when others take their threads back.
You are, Mark, exactly that which you accuse others of being. The difference? We know full well what we are doing. You, on the other hand, have long ago lost your grasp on reality to the point that you actually think that you are, in some twisted fashion, "taking control" of this group so as to drive others out.
Well, you have succeeded. You have single-handedly turned this group into your own private cesspool. You have ruined it.
And you wonder why there are blogs set up that poke fun at you? They aren't attack blogs, Mark. They are defensive blogs. Their point? And I am sure this escapes your pre-pubescent mind..these bloggers simply do NOT like you. A simple concept, really, but apparently one that your twisted mind is unable to grasp.

So there it is in a nutshell Mark. Insofar as we know, you have lied about your military service. You have lied about your education. You have lied about your alleged employment. You are, sir, a congenital liar!
You are not liked, you are not welcome, and you have now reached the apogee of What It Takes To Be An Asshole.

Oh, and another suggestion? Think before you post such stupidity on your blog in regards as to how you just now discovered the worth of grounding your rigs. Your blog only reinforces to the rest of us what a dolt you are. Your blog is making you the laughingstock of Ham Radio and is now looked at as one of the funniest blogs on the Web.

I really, truly, pity you.

Dloyd is finding it hard to get out his message one of filth and
disgusting
off topic nature

but given the history here on RRAP of using a barrage aprouch to deal
with
people or ideas you don't want to face which for a time all but cut me
out
of RRAP why does anyone doubt my resolve to see that we are all equal

Mark is ranting and raving about "dloyd" as he has been for two
years....he thinks he is winning with his ever changing rants. First
what is there to win...nothing at all, just Mark's sanity. Who or What
is Dloyd Lavies...nobody, an invented foe used by multiple hams to
keep Mark occupied with made up scenarios and slight of hand. Thanks
to our efforts we continue to have real Morgan free discussions
without him on our boards that Mark has been unable to discover....he
is not bright and will never find our real discussion board. Like a
fool we keep him busy on here and RRAP. Two years and going
strong. :yes: Congrats...to the group.

Mark's head go round and round, round and round, round and round, the wheels in Mark's head go round and round....all day long.

Mark KB9RQZ, why do you and your wife think it is ok to smoke illegal drugs?

Why do you and your wife think it is ok to do a gay wife swap and put it out there on the net?

Why do you have a smutty hamsex blog (www.kb9rqzsex.blogspot.com) on the net when you know amateur radio is family oriented?

Why did you offer your wife for sex?

Why do you think it is normal to want to suck your own penis?

Why do you call yourself a ham, yet you don't know anything about the very simplec physics of radio?

Why do you live like a pig with so much trash on your property like a dump?

Why do you call a tiny dinghy a boat?

Odd observations abougt you from the past year.

339. Mark why are you so intent on trying convince someone about your fake emails, pimping a GS, no one believes you not even LE.

And more from the kooky world of Mark....

10. I like gay wife swaps.

11. I have hamsex blog (www.kb9rqzsex.blogspot.com)

12. I offer my wife for sex to quiet RRAP.

13. I wish I could give myself head.

14. I am a ham but I don't know anything about radio.

15. I live like a pig with my own junkyard.

16. I have a boat but it really is a dinghy.

17. My father is not good enough to live with me so I store him in a
rundown trailer behind my house.

18. I can't pass the extra class exam.

19. I won't use voice on HF because folks may laugh at my girly
lisping speech.

20. I stay home and flood usenet while my wife makes crafts so we can
afford to eat.

'TWAS THE NIGHT BEFORE CHANUKAH...
OY! WHAT A SHOCK!
SOMEBODY OUTSIDE
WAS PICKING OUR LOCK!

AND THERE AT THE DOOR
STOOD A 'ZAYDA' IN BLUE-
AND HE WORE ON HIS KUPP
A BLUE YARMULKA, TOO!

HIS PUNIM WAS SHAIN-
EVERYBODY WOULD LOVE IT!
'ROUND HIS NECK HUNG A CHAIN
WITH A GOLD MOGEN DOVID!

HE WORE SILKEN TSITZES
BENEATH HIS WOOL VEST,
AND A SMALL FLAG OF ISRAEL
WAS DRAPED ON HIS CHEST!

HE SAID: "I'M NO BURGLAR,
SO PLEASE DON'T BE NERVOUS.
I'M THE SPIRIT OF CHANUKAH,
HERE AT OUR SERVICE!"

"MENCHEN ALL CALL ME
'REB' SHALOM SHAPIRO!
WITHOUT ME, THIS YOM-TOV
MIGHT NEED A NEW 'HERO!'"

"I VISIT ALL YIDLACH,
AND BRING - KINNAHORRA-
GOOD FORTUNE AS BRIGHT
AS A GLOWING MENORAH!"

"ICH SHLEPP LOTS OF BLESSINGS
AND CHANUKAH GELT,
AND JOYS THAT ARE TAKKA
THE BEST IN DER VELT!"

"IF YOU KNOW NICE MENCHEN,
I'LL VI SIT THEM QUICK,
AND I'LL BRING THEM GEZUNT
AND A HOUSEFUL OF GLICK!"

SO WE SENT HIM TO YOUR HOUSE,
AND SHOOK HANDS AND PARTED.

HE SHOUTED, "SHALOM!"
OUT THE DOORWAY HE DARTED!

HE RAN TO A WAGON
WITH HORSES AHEAD.
HE FED THEM SOME BAGELS,
AND HERE'S WHAT HE SAID:

"LET'S GO, MOISH AND MENDEL!
MAKE QUICK, MOE AND YUSSLE!
PLEASE GIVE A RUSH, MALKAH!
HEY, HYMIE, PLEASE HUSTLE!"

THEN THEY RACED LIKE THE WIND!
AND THEY GALLOPED SO SHNELL,
ALL HIS CLOTHING BLEW OFF,
AND HIS GATKES AS WELL!

SOON HE WAS SO KALT
THAT HIS TUSHIE TURNED BLUISH!
HE MOANED AND HE HOLLERED
IN ENGLISH AND JEWISH!

SO, DON'T ACT EMBARRASSED,
AND PLEASE DON'T BE RUDE
WHEN THAT FROSTBITTEN ZAYDA
ARRIVES IN THE NUDE!

QUICK! WRAP HIM IN BLANKETS!
DON'T BEAT 'ROUND THE BUSH'!
AND TIE A HOT WATER BAG
ON HIS COLD TUSH!

QUICK! FEED HIM SOME CHICHEN SOUP
HEISS AS CAN BE!
AND GIVE HIM SOME SHNAPPS
AND A GLEZ'L HOT TEA!

'CAUSE HE BRINGS YOU A HOUSEFUL
OF CHANUKAH WISHES
AS WARM AND GESHMOCK
AS PLATE OF HOT KNISHES!

AND HE BRINGS THEM FROM OUR HOUSE
SO FRIENDLY AND BRIGHT,
SO YOUR HOUSE WILL KEEP GLOWING
WITH CHANUKAH LIGHT.

PLUS JOY SWEET AS TSUKKER,
AND PEACE AND GOOD-CHEER
AND EVERYTHING FRAYLACH
EACH DAY OF THE YEAR!

AND NONE IN YOUR FAMILY
WILL BE A SHLEMAZEL,
FOR LIFE WILL BRING EACH OF YOU
SIMCHAS AND MAZEL!

AND ALL THROUGH THE FUTURE
YOUR HOPES WILL COME TRUE,
AND HIMMEL WILL BLESS
YOUR MISHPOCHA AND YOU!!!

> Why manufacture fake emails to justify your attack on K3VR.

Well Mark, your fake emails to yourself about molestation and child
sex is not going to save you. Luckly a forensic computer analyst can
detect your forgeries without a problem if need be.

420. Re: why does Mark claim I advocated not working with LE as they request? I was never contacted by LE...why do you have to lie so much Mark, your not good material for ham club officer.

1. Cows
2. The Constitution
3. The Ten Commandments

C O W S

Is it just me, or does anyone else find it amazing that during the mad cow epidemic our government could track a single cow, born in Canada almost three years ago, right to the stall where she slept in the state of Washington? And, they tracked her calves to their stalls. But they are unable to locate 11 million illegal aliens wandering around our country. Maybe we should give each of them a cow.

T H E C O N S T I T U T I O N

They keep talking about drafting a Constitution for Iraq. Why don't we just give them ours? It was written by a lot of really smart guys, it has worked for over 200 years, and we're not using it anymore.

T H E 1 0 C O M M A N D M E N T S

The real reason that we can't have the Ten Commandments posted in a courthouse is this:

You cannot post "Thou Shalt Not Steal," "Thou Shalt Not Commit Adultery," and "Thou Shall Not Lie" in a building full of lawyers, judges and politicians...It creates a hostile work environment.

Military Death Numbers
Below is some very interesting data reference deaths in the military.
I bet you will not read this in your local newspaper nor will you see
it on the daily news broadcast.

Deaths in the Military
1980 2,392
1981 2,380
1982 2,318
1983 2,465
1984 1,999
1985 2,252
1986 1,984
1987 1,983
1988 1,819
1989 1,636
1990 1,508
1991 1,787
1992 1,293
1993 1,213
1994 1,075
1995 1,040
1996 974
1997 817
1998 826
1999 795
2000 774
2001 890
2002 1,007
2003 ..... 1,410 [534*]
2004 ..... 1,887 [900*]
2005 ..... [919*]
2006 ..... [920*]
Figures so noted with an asterisk (*) indicates deaths as a result of
Operation Iraqi Freedom and Operation Enduring Freedom.
You may initially feel confused when you look at these figures -
especially when you see that in 1980, during the term of President Jimmy
Carter, there were, 392 US military fatalities. What this clearly indicates
is that our media and our liberal politicians pick and choose and tend to
present only those facts that support their
agenda driven reporting. Another fact our left media and politicians
like to slant is that these brave men and women losing their lives are
minorities. Wrong again -
The latest census shows the following:

European descent (white).... 69.12%
Hispanic..... 12.5%
African American.....12.3%
Asian..... 3.7%
Native American..... 1.0%
Other..... 2.6%
The fatalities over the past three years in Iraqi Freedom are:
European descent (white)..... 74.31%
Hispanic..... 10.74%
African American . 9.67%
Asian..... 1.81%
Native American..... 1.09%
Other..... 2.33%
These statistics were gathered for DOD and may be viewed at:

>>>
>>> Deceptive Lie. The Jewish controlled government is putting forth a
>>> blatant lie. Every law, every decision, every activity by our so-called
>>> color-blind government is loaded against the White Race and favors the
>>> mud races. In Washington, that pest-hole of Jews and niggers, a
>>> qualified White applicant is passed over for an unqualified nigger in
>>> the majority of cases. They call this "filling the quotas" system.
>>> Another tricky catchword the Jews have invented is called "affirmative
>>> action." It blatantly means favoring niggers and other mud races over
>>> Whites, regardless of qualifications.
>>>
>>> Need Whites to get work done. The only reason the White secretaries and
>>> other staff are hired at all is because somebody has to get the work
>>> done; no matter how many niggers they hire, it still would not get done.
>>> The net result is where one White secretary could have competently taken
>>> care of a job, three more incompetent niggers are hired, and then
>>> another White secretary is needed to untangle and undo the mess these
>>> jungle bunnies create by being in the office in the first place. As a
>>> result, it now takes five salaried people, three niggers and two Whites,
>>> to do a job that was more competently handled by one White ? all in the
>>> name of "equal opportunity."
>>>
>>> (b) Not only is this prevalent in government jobs, but government is
>>> laying heavy-handed coercion on private industry to hire blacks, fire
>>> Whites. This, too, is all done under the guise of the minority quotas
>>> and "guide lines."
>>>
>>> (c) Similar oppressive discrimination is applied against White
>>> applicants to medical schools, law schools and universities in general.
>>> A black gorilla that can hardly read and write is admitted, while a
>>> brilliant White student with high grades is rejected. The black gorilla
>>> is then pushed through and given a degree, although he is no more
>>> educated or qualified than his gorilla cousins in the jungle.
>>>
>>> (d) In starting up a new business the government Small Business
>>> Administration will generously lend money to Cubans, niggers or Puerto
>>> Ricans, although they know the risk is tantamount to throwing the money
>>> down a rat-hole. However, if you are White it is next to impossible to
>>> get any such loan.
>>>
>>> 11. Discrimination against Whites in Immigration. The same
>>> discrimination prevails in allowing immigrants into the United States.

>>> Whereas in the previous hundred years the Immigration Department favored
>>> White immigrants from Europe (because America was deemed to be a White
>>> country), in the last few decades it has swung heavily the other way.
>>> Now Whites are kept out, but Cubans, Mexicans, Phillipinos, Haitians,
>>> Chinese, Hindus and all the rest of the scum of the world is flocking
>>> into the United States with the full sanction of the Jew-controlled
>>> Immigration Department. Not only are the mud races and the scum flooding
>>> into our country by the millions legally, but even more are flocking in
>>> illegally. Mexicans, who have one of the highest birthrates in the
>>> world, but can't feed themselves in their own country, are flooding
>>> across the border by the millions, and our Jewish government is making
>>> only a sham, half-hearted attempt to keep them out. Nobody knows how
>>> many illegal aliens there are now in the United States, but it is
>>> reliably estimated there are over ten million illegal alien Mexicans
>>> alone.
>>>
>>> Jews have Special Status. Jews can come in here legally or illegally at
>>> will from all parts of the world. They even have the special privilege
>>> of having dual citizenship with Israel, a privilege granted to no other
>>> country and no other people.
>>>
>>> Above are a few examples of how "our" government favors blacks and muds,
>>> and discriminates against Whites, all the while hypocritically preaching
>>> equal rights for all.
>>>
>>> 12. Niggers promoted in Sports and the Entertainment Industry. In the
>>> private sector, especially in sports and entertainment, the niggers are
>>> heavily favored over Whites. This, too, is not too surprising, since the
>>> control of sports, television, radio, movies, the record industry, the
>>> theatre and other aspects of the entertainment industry are almost
>>> totally dominated by Jews.
>>>
>>> Israel Cohen spelled it out. Let us go back to the beginning of this
>>> chapter and recall what the Jew Israel Cohen said in his blueprint of
>>> the early 1900's: " ? we will aid the Negroes to rise in prominence in
>>> every walk of life, in the professions and in the world of sports and
>>> entertainment. With this prestige the Negro will be able to intermarry
>>> with the Whites and begin a process which will deliver America to our
>>> cause."
>>>
>>> Instant Celebrities with the Jew-tube. There you have it. Promote the
>>> niggers, have them mongrelize the Whites, deliver America (and the a
>>> rest of the world) into the hands of the Jews. As a result of this
>>> insane program, a dumb nigger without talent, thanks to the Jew-tube,
>>> can become an instant celebrity. All the Jews need to do is turn on
>>> their tremendous publicity machines, and presto! instant nigger
>>> super-star. Usually the Jews call these niggers not just plain stars but
>>> super-stars! Their own, the Jews, are treated the same way, but with
>>> even greater fanfare.
>>>

>>> Disgusting Degeneration. As a result we have a number of untalented
>>> black gorillas, male and female, and a passel of Jewish clowns filling
>>> our entertainment media. We should hardly be surprised that the movies,
>>> T.V., theatres, sports and other entertainment have degenerated to the
>>> low level of pornography and trash we find today.
>>>
>>> 13. Appointing niggers in Law Enforcement and Armed Services. Just as
>>> the White population in the South for two decades after the Civil War
>>> was without civil protection from niggers, Jewish carpet-baggers and
>>> other criminals, so the power establishment today is pursuing a course
>>> of staffing the law enforcement agencies, police departments and the
>>> armed forces with more and more black niggers. They are planning for the
>>> day when race rioting will finally break loose, and all the arms of
>>> physical force will be in the hands of our mortal enemies, the niggers
>>> directed by their Jewish masters.
>>>
>>> Also use Appointive Powers. Just as the Jews use their money and
>>> propaganda machines to help elect black mayors, congressmen, senators
>>> and other elected officials, so also do the Jews use their appointive
>>> powers to appoint and select nigger policemen, nigger judges, and staff
>>> the army, navy and airforce with niggers. Not only are these agencies
>>> getting blacker and blacker, but promotions up the line come faster and
>>> easier for blacks, and ability is no criterion.
>>>
>>> Preparing for Racial War. The Jews are fortifying those arms of force
>>> that are critical in case of civil insurrection with niggers. They know
>>> the day of reckoning will come, and when it does they want to make sure
>>> the Whites will be in no position to wrest control by force but
>>> hopefully will be shot down like dogs by the black animals.
>>>
>>> 14. Black crime and warfare against the Whites. While the White
>>> Christian churches are mentally and spiritually disarming the Whites by
>>> preaching brotherly love, the Jews join in this deceptive practice with
>>> all the propaganda means at their disposal. At the same time, the Jews
>>> organize the niggers via civil rights groups, the Muslims, and even
>>> Christian churches, and pour on the hate for Whitey. The government even
>>> funds and sponsors programs (such as C.A.P.) that do the same thing ?
>>> preach black hatred for the White Race.
>>>
>>> Breeds Killers. All this has had its desired effect and almost every
>>> nigger in the world is filled with intense hatred for the White Race. As
>>> a result some of the more unbalanced and demented niggers get so rabid
>>> they go out and shoot, stab or otherwise kill Whites, with no
>>> provocation, and usually picking their victims at random. These are not
>>> isolated cases now and then, but happen daily, and most often the victim
>>> is a young White woman or mother.
>>>
>>> Crimes seldom solved. These crimes usually go unsolved, partially
>>> because there was no motive or connection between the assailant and the
>>> victim, and partially because the police departments are getting more

>>> and more indifferent about solving such crimes.
>>>
>>> Ultimate Goal. This is a deliberate act of racial warfare designed by
>>> the Jews to decimate and/ or mongrelize the White Race. It is being
>>> accelerated at a slow rate until it will gradually be stepped up into
>>> full fledged warfare when the Jews are ready. While Whitey stupidly goes
>>> on preaching "brotherly love" and doesn't know that he is a target for
>>> genocide, the Jews and the niggers are under no such illusion. They mean
>>> to kill Whitey, and feverishly pray and prepare for the day when they
>>> can slaughter every White man, woman and child, just as they did in San
>>> Domingo 180 years ago, or in the Congo 20 years ago, or in Rhodesia

He is dancing from cover because his faggot ass was outed and located.
Now he sits there worrying about who is gonna walk up to him and smack
his sperm loving lips with a rock. His wife also is in hot monkey love
with the family pets, so he is at least having fun video taping her
actions.

but being BLGT should not be an issue, your types are the ones who
make it an issue, straight hams don't walk around with thier sexuality
on their shoulders like some badge of courage, but then again, it is
not the straight folks who are in public parks and bathrooms having
gay sex and participating in other such nasties, like another BLGT
invention, the glory hole. Get a grip and seperate your sexuality
from a family oriented hobby.

I note with no small amount of glee that the below site quoted a diatribe made by ME, verbatim. I took Mark to task and am rather flattered that my comments were picked up and reposted to describe Mark as a "Useful Idiot". It is quite obvious that more people agree with my synopsis than disagree. Go to http://www.ve7kfm.com/ and look for Useful Idiot to read my post in its entirety.

Yet he cries that using his wifes call, KD8CTL for a blog is "theft".
If, by his reasoning, callsigns have no meaning on the Net, what is his
beef?
He can't have it both ways.

Why the flood of questions and claims of harrassment?

Mark KB9RQZ said..."not realy since m,y charge that Dloyds stalks me has nothing nothing to do with how many posts he make here or in RRAP, "but instead on his investagtions of my private life and his stealing then posting of private info and his blackmail with threats to do more"

KB9RQZ, why do you post false information without any proof. No investigation of you has ever been done by me, googling your call is not an investigation. What private information did I steal and post, information posted to public profiles on the net, is by virtue, not private. If you want something to be private, then don't post it on the net. No threats of blackmail were ever posted. Stop lying with your twisted view of the world.

No they wasn't, just because you believe something, does not make it
true. Just like you believe that I am somehow responsible for acts
done by other people....I don't email you, or send any letters to you
or anybody else you may know. Why do you think that I am responsible
for everyone's actions against you? Face facts although independent I

Engaging in ongoing arguments with Mark is akin to yelling into the ear of a
deaf mute. He simply nods his empty noggin and hears only that what he
wants to hear.
Mark provides cheap entertainment, however. I recently took credit for the
anonymous letters that were sent to his Ham buddies and Mark swallowed that,

hook, line and sinker. I don't know who sent the letters, if indeed any letters were even sent. Mark has lied about this sort of thing so many times in the past that he cannot be believed.
I think that Mark makes up these lies in hopes that just maybe someone will feel sorry for him. He loves portraying himself as the set-upon, long-suffering "victum".

Why do you want the ARRL to get off...they have a lot of male officers

Why does Mark think that posting this warrants his flood of RRAP so
56.7 million people can't use it because of his little 10 year temper

Because Mark is wrapped only a little less tightly than Wiseman. His mindless twittering has rendered this newsgroup a sewer. Mark freely changes thread subject lines, takes every comment as a personal attack on himself and floods the newsgroup in violation of his ISP's terms of service.

Mark has numerous issues, most of which are unrelated to amateur radio.

> http://www.amazon.com/gp/pdp/profile/A30EY9HRJ2XK0X/ref=cm_aya_pdp_profile

I first thought this was a rib. It became funnier after I realized that it was an actual review. After reading it, I remembered the old adage about water seeking its own level.

There is no combination of Judaism and paganism. Mark and his wife are some really mixed up people. They're apparently into "Let's pretend" as much as they are into "beat me - hurt me".

Well said, Dave. As usual, you are right on target.
I still laugh at your synopsis of Mark as being the group's Myna bird, a
descriptor that Mark apparently disliked. As is so often said, if the shoe
fits...

Oh, my. Now you've opened the floodgates! Mark will once again accuse you of "stlaking" as he entwines reality with fiction.
Mark's world is an oddly twisted fantasy land that none of us sane folks will ever be able to visit, much less comprehend. He certainly dances to a netherworld tune that only he can hear and which is well beyond our scope.
